TESTIMONIAL:

The village hall management committee was delighted that our application for funding from

Basingstoke & Deane Borough Council's local infrastructure fund was successful.

This generous funding enabled us to refurbish the WC facilities and the main hall.

The refurbishment has brought the WC facilities up-to-date, made better use of space and increased energy efficiency.

The main hall, a beautiful hall with a superb beamed ceiling has been redecorated, rewired the ceiling and the timber floor restored
